

PRESS RELEASE

Macau, October 22nd - On Friday October 25th 2013 Caesars Golf Macau will, once again, host one of the most charitable and prestigious social corporate events, the 7th edition of Macau Business Charity Golf Tournament.

Originally set up for 25 teams, the organizers were again oversubscribed and reached the maximum possible number of 29, who will try to grab the desirable trophies and the most wanted right to forward the total prize money of 200'000 MOP to their favorable charity institutions.

According to the organizers, the Charity Association of Macau Business Readers, "this year we are seeing very strong teams", who succeed to enroll some of the best players of Macau. Last year's winner Silver Heritage is one of the favorites but they are facing a tough challenge from Wynn Macau, the Caesars Golf Team, Aristocrats' Legends and the RoadHouse team.

Again, two Special Olympics teams will participate in the tournament, both sponsored by local telecom Companhia de Telecomunicações de Macau (CTM). The company's CEO, Vandy Poon, and Portuguese national news agency, Lusa's representative, José Costa Santos, are taking on the role of a Guardian – a special format that had been created for the annual International Special Olympics Golf Masters, another event which 3rd edition is set to be host in the Spring of 2014.

Paulo A. Azevedo, President of the Charity Association of Macau Business Readers, commented: "This is once again a great result but we're not surprised as we are used to see the commitment of some of the most conscientious companies of Macau."

Besides major partners Melco Crown Entertainment and Australia's Casino Resort The Star, the event will again be supported by the Westin Resort Macau – the host venue of the annual Charity Gala and Prize Giving Ceremony on the same day. Up to 180 people are expected to join this casual gathering of golf enthusiasts, friends and loyal supporters. The Westin Resort is famous for its atmosphere and great hospitality.

Last seats available for the cocktail and prize award presentation can be booked at +853 665 45 170. Single seats and one half table are still available.

See you there!
